M.Sc in Dermatology (Cardiff University, UK)

Fellow, American Society for Dermatologic Surgery (U.S.A)

Dr. Amnah Raj with her 16 years of experience in general dermatology, has completed a 2-year fellowship in cosmetic dermatology and cosmetic dermatologic surgery under the auspices of American Society for Dermatologic Surgery at Institute Cosmetique. She is a fellow of American Society for Dermatologic Surgery and has a vast knowledge of Botox uses, it's unusual uses as well as it's use in combination with various other procedures for facial enhancement. Dr. Amnah has a vast experience in hair transplant, liposuction, non-surgical body contouring, Radiage and HIFU to name a few.

Dr. Saima Malik

M.B.B.S.(Pb), Dip Derm (U.K), M.Sc.(U.K)

Dip. Derm (Cardiff University, UK)

M.Sc in Dermatology (Cardiff University, UK)

Dr. Saima Malik is a 2nd year fellow of cosmetic dermatology and dermatologic surgery approved by American Society for Dermatologic Surgery at Institute Cosmetique. With her 8 years of experience in general as well as cosmetic dermatology and cosmetic dermatologic surgery, and a complete training in radiology for MCPS, she has a vast experience in pre operative as well as post operative assessment as well as injection techniques of Botox for various indications. Her main areas of interest are fractional laser resurfacing, Botox, fillers, threads and use of radiology in dermatology especially in filler injections to avoid intravascular filler injections inadvertently. With her strong background in radiology, varicose vein treatment using different modalities is also her area of interest.

COURSE OUTLINE

- Anatomy of the upper face
- Overview of facial musculature
- Aging of the skin
- Adverse events and treatment responses
